Dear Mr. Gisser:

On behalf of everyone at Safe Harbors, I would like to thank you for your on-going support. In these uncertain economic times, your generosity is more important than ever in supporting our ongoing mission of transforming lives and building communities through housing and the arts.

Safe Harbors continues to house 128 adults in a beautiful and safe environment where they have every opportunity to rebuild their lives. The results we have seen are truly remarkable. We have tenants graduate from our GED program, participate in our Wellness Center and utilize the many amenities in our building. Our mix of adults include artists, veterans, people living with a mental health diagnosis and low income working adults has created a vibrant atmosphere where opportunities are endless. People remain housed in not only a beautiful and nurturing environment, but also the most economical and cost effective way for all of us.

We are proud of the good work we have accomplished and know that it would not have been possible without your support. We appreciate that you have and continue to provide services since we purchased the building in 2002.

On behalf of our Board of Directors and all of us at Safe Harbors of the Hudson, I want to thank you so much for supporting us.

Sincerely,
